Reasons for Allowance

The following is an examiner's statement of reasons for allowance: for claim 31, it is the inclusion of a seat mounted vertically above a platform, front and rear closure doors spanning the platform, and the front and rear closure doors pivotally coupled to front and rear ends of the platform for swinging movement between open and closed positions. The prior art of record fails to teach or suggest the claimed features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
